Original Schedule Data

Proposal Evaluation Committee Meeting	Responses evaluated to identify shortlisted proposers for interview.	May 12, 2022 9:00 AM EST	Public Zoom Conference

Updated Schedule Dates

Proposal Evaluation Committee Meeting	Responses evaluated to identify shortlisted proposers for interview.	May 13, 2022 9:00 AM EST	Public Zoom Conference

1.

Is FLVS seeking commercially available products only, or is FLVS open to other options that will support all the required features outlined in the RFP, including: an open-source platform or development of a new application/product?

   A.   FLVS is seeking a commercially available product.

2.

The RFP asks, "If a mobile app is used, can we wipe the data remotely if the device is lost?" – should MRCC assume that a mobile app component is a requirement which should be considered within the core scope of work for this RFP?

   A.   It is not required.

3.

Is it required that the proposed application be hosted on servers provided by FLVS or is FLVS open to cloud hosted solutions?

    A.   FLVS is open to cloud hosted solutions.

4.

Should MRCC include Turnitin license costs in our cost proposal, or should we assume that FLVS will provide the necessary licenses to support this requirement?

    A.   FLVS has the necessary licenses.

5.

Is the scope of this RFP just focused on the K-12 Online Schools that FLVS supports? Or, is this also intended to support the FlexPoint Education Cloud courses?

    A.   The scope of this RFP is for all Florida Virtual School K-12 courses whether licensed through FlexPoint Education Cloud, used by Florida Virtual School direct students, or Florida Virtual School franchises.

6.

Can you please expand on the structure of your organization to help us better tailor the implementation and services?
       a. Are the K-12 Online Schools that FLVS runs on the same student information system? If not, how many are in use?
        b. Are you expecting teachers to take any assessments in the solution, or just students?

    A.   We support students from multiple learning management systems and student information systems.

    B.   Just students for scoring purposes.

7.

Is FLVS interested in standards-aligned item banks as a part of this bid?

    A.   No

8.

Is FLVS interested in ACT or SAT practice assessments as a part of this bid?
A. No, however proposers may include this as an additional optional service under Section 6.4 of the RFP.

9.

What LMS integration capabilities are considered a minimum requirement?
A. Must be able to work with LTI, API, or Custom Integrations

10.

What is the preferred Go-Live date for the system?
A. Pilot in the upcoming school year with an agreed up on start date before school year 2023.

11.

Do you prefer onsite or remote train-the-trainer customer education trainings? Do you have a certain number/roles of users you'd like trained?
A. We are flexible on the training model. The number will vary based on the model and solution provided.

12.

Are only invited vendors allowed to respond to the RFP or can others? Are two vendors allowed to respond together in one submission?
A. Any Vendor can submit this RFP. We will only contract with one proposer, which will be the one listed on the submission and who submitted in Bonfire, but they can subcontract with other vendors.
