07/13/22 4:00 pm. EST	Nearpod Premium Plus, Flocabulary Site License, Nearpod Math Program, and Nearpod Professional Services Training	Nearpod, Inc. Nearpod, Inc. is sole source in the state of Florida for Flocabulary software licenses.	07/22/22 4:00 pm. EST

Description: Nearpod is an online tool that allows teachers to use slide-based teaching both in the classroom and remotely thanks to a hybrid layout. Teachers can create lots of different interactive learning resources that allow students to engage and learn via their device or a single screen in the room. Nearpod and Flocabulary are platforms that share the mission of engaging and reaching all students. The presentation of the content is designed to spark interest to engage all students while introducing new topics with fun hip-hop videos. Nearpod Math provides opportunities for students to draw, drag & drop, visualize with manipulatives, audio record their responses, and more. Make learning visible for every student.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a “like” product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.

Deadline: The deadline for receipt of descriptive literature and detailed specifications is the Posting End Date/Time noted above. Descriptive literature and detailed specifications received after this date/time will not be considered. Failure to file a protest within the time prescribed in Section 120.57(3) Florida Statutes shall constitute a waiver of proceedings under Chapter 120 Florida Statutes.
