1.

Will the questions submitted be published and if yes, when?

*A single consolidated response shall be posted to the public. This is typically done within two business days of the question due date/time.*

2.

Will a bond be required by the vendor and if so at what amount?

*FLVS did not require a bond for this solicitation.*

3.

Page 11, 3.1.6 Cybersecurity

- Is there an expectation to create an application or deliver technical systems?
- Is there an expectation to procure or develop a product or service versus being compliant with FLVS applications?

*The Cybersecurity standard requirements have been provided in the event that they are applicable to the proposed solution. Please see Section 5, Scope of Services to review FLVS requirements.*

4.

Certificate of Insurance

Page 10, 3.1.4 (3) Certificate(s) of Insurance (Section 7.18) Looking at Section 7.18 it does not cover certificates of insurance instead it is: Page 30, 7.18 is Identical Qualifying Bid/Proposals: In the event of identical qualifying bid/proposals, FLVS will execute the tie breaking procedure contained in the FLVS Board of Trustees Policy Manual.

*Section 3.1.4 lists the items included within the Mandatory Forms Packet (Attachment 1 of the RFP). Item 3 refers to the placeholder where proposers shall insert their Certificate of Insurance as part of their proposal response. The inserted certificate should demonstrate coverage that is active and that aligns with our specified minimum coverage amounts defined within Section 10 of the FLVS Master Service Agreement (Appendix J).*

*Note: The correction to the reference location has been provided above.*

5.

Just reaching out to clarify which states you all are focusing the work for this contract in. We are multistate organization and would like to determine whether or not this bid fits our current presence. Thanks.

FLVS is seeking recommendations from proposers based on their presence and expertise that would be of benefit.
